
ACTON ACADEMY

Ponte Vedra

Parent Contract

As members of Acton Academy Ponte Vedra, a private learning community:

We believe our children are on a Hero's Journey — a calling of deep purpose, hard challenges, and immense growth. We commit to empowering our learner to embrace struggle, fail early and often, and rise with resilience, knowing that true strength is forged through effort, not ease.

We honor Acton Academy Ponte Vedra as a learner-driven community where heroes lead, rights are delegated, and Guides coach and design the environment rather than deliver traditional instruction. We respect the sacred space of the Studio and the natural consequences of each hero's choices.

We commit to celebrating progress according to a Learning Plan that we, as primary supporters of our learner, will create, submit, and uphold. A completed Learning Plan must be submitted by the end of each learner's first session at Acton Academy Ponte Vedra to ensure a shared vision for growth and excellence.

We pledge to protect the Studio's integrity by honoring the learners' ownership. Parents are welcome to observe after scheduling with a Guide 24 hours in advance and agreeing to uphold Studio norms while present. While observing, we will not intervene, correct, or redirect learners during Studio time.

We recognize that building a thriving tribe requires unity and trust. We vow to cultivate a spirit of respect, to seek understanding, and to refrain from gossip and undermining. We each hold a vital piece of the culture we are creating together.

In our own Hero's Journeys as parents:

- We commit to being lifelong learners ourselves, actively pursuing personal growth and modeling curiosity.
- We will ensure at least one parent attends a minimum of two out of the three annual parent meetings.
- We will bring our learner to campus by 8:30 a.m., understanding that late arrivals disrupt the flow of the day, and we accept the natural consequence of missing part of the morning work cycle.
- We respect Studio communication boundaries and will not message our learner during the program day except for urgent needs through the Guide.

By signing this contract, we affirm our commitment to the mission of Acton Academy Ponte Vedra — to forge whole-hearted, independent, world-changing heroes.

This covenant applies for the current program year and is renewed annually.
